The Democratic Ticket is printed at this office and read; for dist ibution. Candidates will please take notice, as they are preparations, the FOUTE'S CELEBRA-expected, in a great measure, to see to their TEDHORSE AND CATTLE POWDERS distribution. Every poll should be furnished with a good supply of tickets; and care should be taken that they get into the right hands. See to this in time, and all is well; keep them for sale. On examination you will find the Democratic Ticket at the most-head of every Pemocratic local or County paper pubsuspicion, as not being sound in the faith. -"Not much !"

OUR PAPER.- We return our sincere thanks to the Democrats who have actively taken the matter in hand to extend the circulation of the DEMOCRAT. Since the Convention, they have added many names to our list. It is gratifying to find that our efforts to furnish the party with a good paper are so highly appreciated by men who never before subscribed for their County paper. Keep the good work going on. You are doing as much for the party by giving a wide circulation to its local organ as by any other course you could pursue.

Dr. John has resumed the pill box umn. He there talks of "digestion," "rice water discharges," "black drops," &c., &c., spleen by pitching into others who were forson, profiting, he probably thinks, by their experience while in his hands. The Doctor's chaste and beautiful exposition of medical knowledge will probably help the topublican party a good deal, and the Demeratic party some.

Those who are not already assessed hould remember that Friday, Sept. 27th, is the last day when it can be done. Do not forget it, as it is a very 'important matter. It is scarcely necessary to remind the Democracy that this s a very important election!

HOSTETTER'S STOMACH BUTTERS. Fever and Ague is rampant in all parts o the country. Quinine, the physicians admit, will not quell the phase of the disease which at present pervades the entire West. It is well that it is so, for the remedy (so-called) is deadlier than the malady. But if quiuine is inefficient in intermittent fevers,

HOSTETTER'S BITTERS is irresistible. It would be safe to make contract, under heavy penalties, that any given "Feaver and Ague District" should be exempted from the disorder for any particular time, provided every inhabitant would take the BITTERS according to directions, during the term of the contract. There has never been an instance in which this sterling invigorant and anti-febrile medicine has failed to ward off the complaint, when taken duly as a protection against nalaria. Hundreds of physicians have abandoned all the officinal specifies and now prescribe this harmless vegetable tonic, and nothing else, as a preventive and cure for all the forms of chills and fever.
